Fri, 12 Oct 2018 22:43:00 GMT - Unabridged editions of a book contain the complete text with no changes or text shrinking. Its like reading from what the author has originally written. They contain the text in full with no changes made. For example, Oxford World's Classics and Penguin Classics provide unabridged version of many classic novels.

What is an unabridged book? - Quora -

- Noir fiction (or roman noir) is a literary genre closely related to hardboiled genre, with a distinction that the protagonist is not a detective, but instead either a victim, a suspect, or a perpetrator.
