Fri, 22 Jun 2018 02:37:00 GMT - The Collins class of six Australian-built diesel-electric submarines is operated by the Royal Australian Navy (RAN). The Collins class takes its name from Australian Vice Admiral John Augustine Collins; all six submarines are named after significant RAN personnel who distinguished themselves in action during World War II. The boats were the first submarines to be constructed in Australia ...

- In recent weeks I have had my first exposure to products from two different linguists with large reputations. Now posted on this site are reviews for both Learn Italian with Paul Noble and Start Portuguese with the Michel Thomas Method.. The latter product features not Mr. Thomas himself (he died eight years ago), but rather someone else who worked with him and who now follows his approach.
