Thu, 12 Jul 2018 01:23:00 GMT - Maximus is a fictional supervillain appearing in American comic books published by Marvel Comics. The character has been depicted both as a member of and antagonist to the Inhumans. Created by writer Stan Lee and artist Jack Kirby, he first appeared in *Fantastic Four #47* (February 1966).. Maximus is portrayed in the television series *Inhumans* by Iwan Rheon and Aidan Fiske.

Sat, 07 Jul 2018 05:04:00 GMT - Asian elephants (*Elephas maximus*) are smaller than their African savannah relatives (*Loxodonta africana*) and have many other physical features that distinguish them. The ears are smaller and the back is more rounded so that the crown of the head is the highest point of the body . One of the characteristic features of an elephant are the modified incisor teeth which are known as tusks, however ...

Sun, 08 Jul 2018 13:31:00 GMT - The basking shark (*Cetorhinus maximus*) is the second largest fish in the seas, after the whale shark (*Rhincodon typus*); its maximum size is thought to be at least 10 metres long . This creature is a gentle giant however, filter-feeding on plankton through the five massive gill slits that almost encircle the head . Thousands of fine, bristle-like *gill rakers*™ adorn each of the gill arches ...
