ANIMORPHS: The Invasion Begins - [PDF Document] -

Wed, 03 Oct 2018 21:28:00 GMT - I have enjoyed the Jake Chronicles. The storyline is about a teenage orphan that chooses to leave Earth with three teenage alien females. He has adventures as a cargo spaceship captain and family man ending with the invasion of alien species against Earth. The plot is easy to follow. The book is in great need of good proofreader.

The Invasion Begins by Peter Lewis Atkinson - Goodreads -

Wed, 03 Oct 2018 17:24:00 GMT - Despite being outnumbered during past engagements, Space Command has been victorious, but they knew there would be many more engagements before war ended. Space Command Intelligence has learned that the Denubbewa military have hundreds of thousands of warships, staffed by trillions of mindless cyborg slaves ready to die on command for their masters.
