Thu, 09 Aug 2018 20:38:00 GMT - To get out of debt using the ladder method, start by attacking the balance on the account that charges the highest interest rate, McClary says. While youâ€™re ramping up payments on that account, you make minimum payments on the others. When your highest-interest balance is gone, you move down a rung of the ladder and apply all your extra payments to the account with the next highest rate. You repeat the process until all your debt is eliminated.
