Thu, 07 Jun 2018 03:45:00 GMT - The Unwinding: An Inner History of the New America is a 2013 non-fiction book by the American journalist George Packer. The book uses biographies of individual Americans as a means of discussing important forces in American history from 1978 to 2012, including the subprime mortgage crisis, the decline of American manufacturing, and the influence of money on politics.

The Unwinding - Wikipedia -

- the process of unwinding or the process of slowly removing parts of a person (not gory) to be given to another person. The novel is broken up into six parts with each part foreshadowing, through its title and the excerpt that is included on its intro page, what is to come in the following chapters.
