Sun, 08 Jul 2018 13:03:00 GMT - Chivalry was developed in the north of France around the mid-12th century but adopted its structure in a European context. New social status, new military techniques, and new literary topics adhered to a new character known as the knight and his ethos called chivalry. A regulation in the Chivalric Codes includes taking an oath of loyalty to the overlord and perceiving the rules of warfare ...
