Sat, 02 Jun 2018 09:56:00 GMT - So pervasive are they, that many simply can not envision a world without. However, it's important to acknowledge that the truth of the matter is that they're fake. Money, nationality, and social status are all inventions of humanity. They do not exist on their own and there are other alternatives.

Sat, 16 Jun 2018 22:33:00 GMT - The point is that long-distances don't mean "inevitable doom" for relationships anymore. In fact, they're quickly gaining steam as the predominant form. And it makes sense. It's so much easier to talk to someone when you can craft what you want to say, rather than stammer out a nervous, sweaty stream of nonsense on a first date.

Sun, 17 Jun 2018 03:12:00 GMT - When was the last time you got milk delivered to your door or did loads of laundry by hand? Probably not in a long while, right? Well, that's not really surprising because the world is constantly changing, and there are many objects we used and activities we did in the past that just don't exist anymore. If you were around in the 1950s, you'l
