Tue, 10 Jul 2018 13:00:00 GMT - American sparrows are a group of mainly New World passerine birds, forming part of the family Passerellidae. American sparrows are seed-eating birds with conical bills, brown or gray in color, and many species have distinctive head patterns.. Although they share the name sparrow, American sparrows are more closely related to Old World buntings than they are to the Old World sparrows (family ...
