The Surgeon General's Call to Action to Support Breastfeeding -

Sun, 27 Mar 2011 23:59:00 GMT - Breastfeeding, also known as nursing, is the feeding of babies and young children with milk from a woman's breast. Health professionals recommend that breastfeeding begin within the first hour of a baby's life and continue as often and as much as the baby wants.

Breastfeeding - Wikipedia -

Thu, 14 Jun 2018 16:51:00 GMT - Breastfeeding and human milk are the normative standards for infant feeding and nutrition. Given the documented short- and long-term medical and neurodevelopmental advantages of breastfeeding, infant nutrition should be considered a public health issue and not only a lifestyle choice.
